US Mailboat Tour

There are only handful of places left in the country where mail is still delivered by boat and none with a more exciting and scenic tour like this! With nearly 90 years of Mail Service, we still deliver mail to about 60 homes around the lake on a daily basis from June 15 - September 15 every year. The Walworth departs promptly at 10:00 a.m. every day with a load of passengers, mail and very unique mail person. The mailboat returns to the Riviera Docks at 12:30 pm after its 2½ hour cruise around the entire lake.

Gage Boats

Our mail person isn't at all like the one who stops by your home every day. To deliver the mail, she must jump off the bow of the boat while it is still moving and on to the pier. Deliver the mail, grab any out-going parcels and leap back on to the stern of the boat before it passes by. The mailgirl must possess skill and agility in order to complete the delivery and remain dry!

The only way you will get any closer to the homes is by walking up to their front door.

As a special star route for the U.S. Post Office, the U.S. Mailboat - Walworth is equipped with its' famous "U.S. Mailboat" cancellation stamp. Be sure to write a letter or postcard and have this special stamp that you can only get aboard the boat.

Our Location & Parking

Lake Geneva Cruise Line is located at the Riviera Docks on Wrigley Drive in downtown Lake Geneva. The dock is located one block south of the main downtown intersection of Highway 50 (Main Street) and Old Highway 120 (Broad Street.) Depending which direction you are coming into downtown, you will want to turn off of Highway 50 (Broad Street) onto Wrigley Drive to reach the Riviera Docks. We are located next to the public beach and across the street from Popeye's Restaurant.

All public parking in the city of Lake Geneva is on the street metered parking. The meters take one quarter per half hour and can be filled up to five hours (and refilled!). Meters are checked from 9am-7pm seven days per week.
